PUDO Inks Three-year Deal with Little Short Stop Stores

Customers enjoy greater access to Canada's first pick-up and drop-off service in Ontario Tri-Cities and Guelph

TORONTO, Ontario, December 29, 2015 – PUDO Inc. (“PUDO”) (CSE: PDO; OTCQB: PDPTF), today announced a new three-year partnership with Little Short Stop Stores to create additional PUDO Point™ locations in Kitchener, Waterloo, Cambridge and Guelph.

Launched across North America in September, PUDO continues to expand its rapidly growing PUDO Point™ network, allowing more customers to tailor pick-ups and drop-offs of their online purchases to fit their busy schedules. PUDO members simply shop online through PUDO's affiliate [portal](#), and they can use a PUDO Point™ address for their “not-at-home” deliveries. This means Canadians can access deliveries at their Little Short Stop Stores or any other dealer location later in the evening and on weekends.

“We are so pleased to be partnering with Little Short Stop Stores, increasing availability of PUDO in 29 new locations,” said Frank Coccia, Chief Executive Officer, PUDO Inc. “Whether receiving a shipment from – or returning a parcel to – a favourite retailer, customers in the area can access PUDO's services with greater convenience.”

“Many of our customers are attending university and college in the area and are seeking cost savings for their online shopping,” said Gerry Bes, General Manager, Little Short Stop Stores. “Becoming a PUDO Point™ provides our customers with a great alternative to traditional shipping methods and allows them to pick up their parcels at a time that accommodates their busy schedules.”

PUDO currently has more than 5,000 PUDO Point™ dealers signed up across North America, and a network that continues to grow each day with dealers becoming operational. For these dealers, PUDO provides opportunities for additional foot traffic and the potential for repeat customer business. As the last mile delivery solution for e-commerce purchases, PUDO has created affiliate agreements with some of North America's most well-known retailers, including Amazon, eBay, Hudson's Bay and Walmart to ensure customers never miss a home delivery again.
